Re: Case Nos.: CEN-T-14-01
CGS-T-14-01
Application for Approval of Interim Arrangements between
CenturyLink and Teleport Communications of America
LLC

Dear Ms. Jewell:

CenturyTel of Idaho and CenturyTel of the Gem State (collectively "CenturyLink") are submitting this supplemental cover letter to more fully explain the January 22, 2014 filing in this matter. The filing consisted of an "Interim Arrangement" that was entered into between the two CenturyLink companies and Teleport Communications of America, LLC. Such an agreement is expressly authorized by 47 CFR 51.715, and allows parties who are still negotiating a final interconnection agreement ("ICA") to begin exchanging traffic while the negotiations continue. CenturyLink believes that the Interim Arrangement is subject to filing and approval, as it states terms for interconnection, UNEs, and resale under Sections 251/252 of the Telecom Act. We apologize if the terminology caused any confusion, as this is the first filing of this type we have submitted to the Commission. However, it should be treated as any other ICA would be in terms of filing and approval.

CenturyLink requests expeditious approval of the agreement in its current form.

Sincerely,

Lisa Anderl
